

Z-YOUNG

MASTERPIECE FOR YOUR HOME

ENTERPRISE INTRODUCTION

For more than ten years, Z-YOUNG mainly produces floors of new materials, various medium and high-grade PVC, WPC, SPC plastic flooring. Flooring products are diverse grain, etc.

A crafty designer's work always stands the test of time. Z-young flooring strives for excellence. It takes solid wood as the origin, listens to the wood language with ingenuity, brings its own European design pedigree, introduces international popular design elements, lays creative ideas in reality, and carefully measures and carves. Z-young floor seeks the purest appearance of home and life through the exploration of art design and wood language, and uses design to convey a new refined attitude and add value to a better life.

We are here

Z-Young Floor Group owns 4 Flooring Factories:
